

## Huntsville Grotto of the National Speleological Society

### Release from Liability

This is a full release of all claims.

I certify that I have read and understand this document.

I understand that cave exploring, rappelling, climbing, or other activities hosted by members of the Huntsville Grotto may be dangerous.

With the knowledge that the associated dangers may be obvious and/or hidden, I wish to participate in the cave exploration trips, as well as other activities with the Huntsville Grotto of the National Speleological Society. In consideration for being allowed to participate in these trips, I hereby enter this full release and certify that no representations of any type have been made to me or to anyone with me.

I do hereby, of my own free will, voluntarily release, discharge, and agree to save and hold harmless and indemnify the Huntsville Grotto of the National Speleological Society, its officers and/or members, anyone acting on his/her behalf, and the owners and/or managers of any cave I visit from any and all liability claims, demands, or causes of action of any type arising out of or related to any loss, damage, or injury, including my death, that may be sustained by me while on a trip or activity organized by the Huntsville Grotto from any cause of any type, whether due to the negligence of the Huntsville Grotto or anyone acting on the Grotto's behalf, including the landowners. I make this release to bind any of my heirs or representatives of my estate.

I make this release of my own free will; I certify that I understand what I have signed, and I do this in consideration of the Huntsville Grotto of the National Speleological Society for allowing me to participate in the cave exploration trips or other grotto activities.

This is a release in full of any liability. I have read and understand it.
