PARENTAL INDEMNIFYING RELEASE

My minor child desires to participate in events sponsored by the Huntsville Grotto of the NSS. Such events may include, but are not limited to, rope climbing, cave exploration, hiking and other events as well as travel in private vehicles to such events.

This indemnifying release is designed to cover any and all claims that may arise on my behalf individually or on my behalf of my minor child. I fully understand and appreciate that there may be risks associated with the activities described above. I am aware of such potential risks and do not expect the released parties to advise me of each and every potential risk which might exist.

With this knowledge, I hereby release, discharge, agree to hold harmless and agree to indemnify the Huntsville Grotto and any of its volunteers or owners of any facilities where any of the activities take place (together these are referred to as the "released parties") for any claim associated with the activity referred to above. This is intended to be a full and complete release of any and all parties against whom any claim could be made regardless of whether or not any of the released parties were guilty of any wrongful conduct which caused or contributed to cause the accident.

I represent and affirm that no claim will be presented by me in my personal capacity as guardian, parent, or next friend of my child as recited below against any of the released parties for any injury involving the activities described above. To the extent that any claim is presented by me, or by my child as described below or any party which may be acting on behalf of my child, I agree that I will fully indemnify any and all of the released parties for any such claim and will satisfy any judgment which might be rendered against any of the released parties. I agree I will fully defend any of the released parties and hold them harmless from any expense in defending any such claim.

I understand that the released parties make no warranty, whether expressed or implied, regarding the safety or fitness of the activities in which my child intends to participate.

I have read this indemnifying release and I intend to be legally bound by it. I make this in consideration for my minor child being allowed to participate in the activities described above.
